

You can now earn £1 extra by returning cartridges in your own box and £5.00 if you deliver to our warehouse!

To qualify for our incentive of receiving **£1.00** (Max £10) per box you must ensure that the box returned is not one of our collection boxes. The box must have the minimum quantity specified in our terms and conditions and the dimensions of the box and weight can not exceed the threshold specified. Please note that this offer does not apply to cage and pallet collections.

- **Please ensure your box weighs no more than 30kgs in weight**
- **Maximum Dimensions - no more than 95cm long, 55cm wide and 65cm high.**
- **Minimum Dimensions - no less than 40cm long, 30cm wide and 25cm high.**
- **A freight charge will be incurred if a box is over 30kg and not within the measurements given.**

We have changed our minimum requirements to make it easier:

- We now require a minimum of **20** items of value per **consignment** (so that is per collection not per box)
- If you send us cartridges on pallets we now require a minimum of **75** items of value per **pallet**.
- Cartridges would ideally be left in their plastic wrappers
- Box needs to be of reasonable quality & strength to avoid bursting in transit.
- Please do not send used cartridges in their original boxes.
- Please pack all cartridges well to prevent damage as we can not pay for broken items
- If you don't meet these thresholds, we will not be able to pay for the boxes returned or the collection itself due to carrier costs
- For all other categories please refer to the front page of the pricelist for further terms and conditions.
- **To qualify you must print and cut out the above coupon and stick it to each box/package.**
