We'll Buy Your Surplus and Unused Printer Cartridges

Looking to sell and recycle your unused **ORIGINAL** inkjet printer cartridges? We offer competitive Brother printer cartridge recycling prices and fast payment on a wide range of models.

We do not take back or recycle compatible or remanufactured Brother / Epson cartridges.

We have an extensive list of unused cartridges that we buy and recycle, so feel free to browse through and find the one(s) you're looking to sell. As you can see, our cartridge recycling prices are fair and competitive, and we offer fast payment of less than 30 days after we've received the cartridges.

The cartridges must in their sealed vacuum bags but not necessary in the boxes unless in date.

Where there are no damages/discrepancies, your collection will be processed within 30 days of arriving at our Recycling Centre. You can request payment by going to the members menu and clicking on the "request payment button" Please allow 30 days from posting in your cartridges. **We no longer provide payment via cheque, only by bank transfer or PayPal.**

We wish you all the best with your recycling efforts. If you have any questions or would like to request more Information, please call
